Hello,

We live at 30 Low Town, Kirkburton, HD8 0SB, within the Kirkburton Conservation Area.

We have a tree in our garden which appears to be dead and has not produced leaves since we have lived at the property (just over a year). We would like to remove it as it appears to be in significant decline.

Please could you advise whether any notice or consent is required before removal?

I have attached photographs of the tree.

Kind regards,

Gabriella Gillespie
