It was a great loss to Scissett & Clayton West when Scottys Bar closed. This proposed venue would be an ideal place for Scotty's bar to reopen as the super sociable bar I know it will be, and with the added bonus of an opportunity to call in during the day for a coffee. I fully support this planning application and trust that the granting of permissions can be provided without delay. The bar will be an asset to the local area and to residents of surrounding areas. I for one look forward to frequenting Scotty's Bar & Bean.
