| <p>I would like to express my support for the application for an alcohol licence for the proposed new premises.</p> <p>I live in close proximity to the proposed bar and, based on the nature and scale of the premises, I do not have any concerns regarding noise or disturbance. There is already a pub located very close by, directly opposite, so the area is already accustomed to this type of use.</p> <p>There is also ample parking available within the village, and I feel the proposed premises would be a positive addition to the local community. It would provide employment opportunities, bring another amenity to the village and offer residents and visitors another place to socialise locally.</p> <p>The proposed bar does not appear to be on a significantly large scale and, in my view, would be in keeping with other bars and licensed premises already operating in the area.</p> <p>Additionally with multiple new housing developments in the village more establishments are needed.</p> <p>Overall, I believe the proposal would be a positive addition to the village and I support the application.</p> |     |
