This coffee bar with alcohol will be an asset to Skelmanthorpe. Andy Scott, the applicant, runs a very tight establishment. There would never be any trouble - Andy's clientele is a friendly following - well behaved, out for a good time and very community spirited. At the moment the current available venues cannot cope with volume of customer traffic - which makes this new bar a very welcome addition. I 100% support this application - there is no part of me thinks this will be anything but a positive addition to the area
