We have ongoing issues with parking on the road. Dividing this property into two dwelling will add further pressures. There is a limited space to parking outside the house. One of the property will have limited living and sleeping space. The street becomes very busy in term time as its has a infant school. The cars mount the pavement that the children walk on which puts the children at high risk. Planning permission has been given for a further 150 new homes in the village. The property would benefit in been developed into a family home which it was for decades.
