My bungalow back on to the site which is not over looked.my views are looking on to a beautiful land where there are many birds and animals are living and this will be lost if such buildings are approved. My privacy will be lost and i will be looking on to backs of houses with living in a bungalow. There is too much traffic up Cliffe lane and more houses would make it so bad .i moved up here 10 years ago and its so peaceful round the back looking out onto open fields. I do hope you make the right decision and not let them build.
