Dear Sir/Madam

ORDER 2015 - SCHEDULE 2, PART 1, CLASS A.1 (g)
AT: 13, Matterdale Road, Dewsbury, WF12 7PE
Prior notification for single storey rear extension**

I refer to your submission of details relative to the proposed extension as described below for the above property and as submitted on 10-Jul-2026.

The proposal is for erection of single storey rear extension. The extension projects 6m beyond the rear wall of the original dwellinghouse. The maximum height of the extension is 3.8m, the height of the eaves of the extension is 2.8m

As no representations have been received from the owners or occupiers of adjoining premises **prior approval is not, therefore, required** and the requirements under condition A.4 of Class A, Part 1, Schedule 2 of the General Development Order as amended are satisfied.

Notwithstanding the above I would draw your attention to the further provisions of Schedule 2, Part 1, Class A of the General Development Order as amended, which states that development is permitted subject to the following conditions:

Development is permitted subject to the following conditions:

- The development shall be carried out in full accordance with the details provided unless otherwise agreed in writing with this Authority.
- The materials used in any exterior work (other than the materials used in the construction of a conservatory) shall be of similar appearance to those used in the construction of the exterior of the existing dwellinghouse.
- Any upper floor window located in a wall or roof slope forming a side elevation of the dwellinghouse as a result of this development shall be non-opening unless the parts of the window which can be opened are more than 1.7 metres above the floor of the room in which the window is installed.

Whilst reasonable effort has been made to check the accuracy of your submitted details you are reminded that development is not permitted by Class A if-

- As a result of the works the total floor area of ground covered by buildings within the curtilage of the dwellinghouse (other than the original dwellinghouse) would exceed 50% of the total area of the curtilage (excluding the ground area of the original dwellinghouse).
- The height of the part of the dwellinghouse enlarged would exceed the height of the highest part of the roof of the existing dwellinghouse
- The height of the eaves of the part of the dwellinghouse enlarged would exceed the height of the eaves of the existing dwellinghouse
- The enlarged part of the dwellinghouse would extend beyond a wall which fronts a highway and form either the principal elevation or the side elevation of the original dwellinghouse.
- The enlarged part of the dwellinghouse would extend beyond a wall which forms a side elevation of the original dwellinghouse and exceeds 4 metres, has more than a single storey or have a width more than half the width of the width of the original dwellinghouse
- The enlarged part of the dwellinghouse would be within 2 metres of the boundary of the curtilage of the dwellinghouse and the height of the eaves of the enlarged part would exceed 3 metres
- The enlarged part of the dwellinghouse would adjoin an existing enlargement to the original dwellinghouse and the total enlargement exceeds any of the above.
- It would consist or include the provision of a verandah, balcony or raised platform.

If you wish for the Local Authority to make a formal determination upon the lawfulness of the proposal, it remains open for you to submit an application for a Certificate of Lawful Development. Further details for such applications can be found at:-
