Road Markings:
Any existing road markings or coloured surfacing impacted by the works must be adjusted / renewed.

'In addition to the RASWA S171 Licence, the Contractor must contact the Highways Supervisor on 0113 3787378 at the following stages of the Highway Works:

1. At least ten working days prior to the start date;
2. At least two clear days in advance of exposure of formation level;
3. On discovery of any unforeseen circumstances or statutory undertakers equipment;
4. On completion.

Failure to do so puts the Developer at risk of having to retract the works and reconstruct to Highways Approval.'

Due to recent infractions, this Note must be emphasised on the drawing, in either bold or colour, and the importance must be stressed to the Contractor.
