This is further destruction of the green belt and our few green spaces left, not to even imagine the issues it will cause for drainage. The traffic is already shocking on Fenay lane and I've put many applications in for traffic lights where this lane meets penistone road. Adding more and more residents will only cause further congestion & pollution of the area, all to seemingly make someone some profit who I imagine doesn't even live in almondbury. This should not now, and never be allowed unless the other problems are addressed first.
