This field is an important green space for people and wildlife. the destruction of the wildlife - , hedgerows and potentially setts - is devastating and Almondbury's heritage and place of beauty is under threat. There is already a pressure on local services so this will increase with this development. Traffic down Fenay Lane is already dangerous so again, this will increase pressure. The proposed houses are only 6 in number which means that the development will not ease the housing crisis as these houses are so big and clearly for profit.
