Postcode:	HD7 5AG

User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
I am also concerned about the wider impact on established childcare providers within the local community. Existing nurseries employ local staff and provide valued childcare services. If another nursery opens directly opposite, it could reduce occupancy at existing settings, potentially affecting the long-term sustainability of those businesses and the security of local jobs. While I understand that competition itself is not a planning issue, I believe the cumulative impact on established community services should be considered alongside the wider effects on traffic, parking and public safety.
