I support the change of use application as quality and well managed nurseries in HD7 area are very oversubscribed and most operate waiting lists for a place which very often exceeds a year. This makes it incredibly difficult for working parents to manage childcare and plan accordingly and most have to travel out of the area (myself included) to ensure siblings can attend the same setting. An additional nursery will be a valuable asset to Slaithwaite and ease these issues. The population of the village do not have adequate childcare options at present and an additional childcare provider would be welcome.
