| <p>The proposed change of use would lead to further parking problems and congestion at the Nabbs Lane / Bank Gate Junction. Stand outside any school at drop off or collection times and you will see what little regard some parents have for parking restrictions. Also, parents approaching the proposed development by car from the centre of Slaithwaite have no quick exit from Nabbs Lane without doing a u turn to return to Bank Gate. There is already very limited parking in that area to serve the church, community centre and visitors to Slaithwaite.</p> |     |
