1. Objections

1.1 Summary of representations: - None received

2. Assessment

Upon the 1955 OS map the dwelling has not been constructed, it appears to have been built at some point between 2012 and 2018. The proposal appears to project, from an original rear elevation with the dwelling designed as a part single and two storey dwelling.

No requirement to assess amenity as no representations have been received.

3. Recommendation

Prior Approval is not required.
