Address of the site or building:	land off, Netherley Drive, Marsden, Huddersfield, HD7 6HL
Postcode:	

User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
The reasons for the objection are: -increase in traffic on Mount Road, which already has double parking making it single lane traffic with cars and the bus waiting, either end. -Pulling out of Netherley Drive, onto Mount Road is already unsafe, with double parked cars and poor visibility. More cars will make this even harder. - Netherley Drive is not gritted or cleared in snow, meaning more cars are parked on Mount Road or are stranded. -In times of heavy rain, which is above the national average in Marsden, the drains on Mount Road have been unable to cope, causing flooding in cellars as well as on the road. This will be worse if one of the fields is built upon with an increase in surface water that is unable to soak into a concrete ground. -Houses on the right hand side on Mount Road will have their privacy and daylight compromised, with the unnecessary development overlooking them, spoiling their view, and changing the character of a natural, moorland environment. -The land is regularly home to sheep, deer, rabbits and a variety of birds and, again, a housing estate will destroy this.
