Comments

Condition 9 – Lighting

The submitted information is accepted. However, this is a compliance condition and must remain for the duration of the development.

Condition 10 – Noise Management Plan

The submitted information is accepted. However, this is a compliance condition and must remain for the duration of the development.

Condition 10 – Noise Management Plan

An unreferenced Noise Management Plan Revised 21 July 2026 has been submitted which considers the following -

- Music and other amplified sound at the premises
- Patron conversation/laughter including those at outside smoking areas and those leaving the premises
- Disposal of glass bottles
- Outdoor equipment such as chillers and air conditioning plant
- Deliveries of supplies to the premises and removal of waste from the premises

A noise complaints procedure is along with staff responsibilities are also stated with comment made that the Noise Management Plan shall be reviewed periodically and updated where necessary to reflect operational experience or following any justified complaint.

The submitted information is accepted.
