Alhamdulillah, this mosque and its community have had such a positive impact on me and my family. My children and I have benefited so much, not only in learning about our religion but also socially, by building friendships, connecting with others and feeling part of a caring and supportive community. It has been a wonderful place for us to learn, grow and feel a sense of belonging. I am truly grateful for everything this mosque provides for families and the wider community. May Allah bless everyone involved and reward them for their efforts. Ameen. ❤
