This community centre is so much more than just a building. It’s a place where people come together, make friends, feel supported and belong. It provides a safe and welcoming environment for people of all ages and backgrounds. Closing it would be a huge loss to our community. Places like this are essential for bringing people together, reducing loneliness and supporting families. We should be protecting and investing in our community centre, not closing it down. I enjoy my time here and I have met many new people and made so much friends Our community needs this centre. Please don’t take away something so important to so many people!
