The Community Hub means so much to our Kurdish community. It provides a place where people can come together, catch up with friends and family, maintain our cultural connections, support one another and worship. Having a place of our own gives us a real sense of belonging, unity and identity. It is somewhere our community can feel at home, preserve our traditions and pass our values on to future generations. A Community Hub is not simply a building; it is a place that brings people together and strengthens the bonds within our community.
