I wish to object to the planning application for the same reasons that the field below it was turned down. I assume you have the records and outcome of that. That ref is Application Number: 2011/60/90090/W2 and Appeal Ref: APP/Z4718/A/11/2163260 Ladyhouse Lane, Berry Brow, Huddersfield. I think part of these are relevant to this land also. Having known the applicants father who bought it for a nominal amount so no one could build on it. He was a strong objector to building on the land below. It seems hypocritical that the son wants to build on it now. The rear of the houses between Ladyhouse Lane and Newsome Road South is a peaceful corridor for wildlife and birds. It brings mental peace for the residents who have to put up with noise and traffic which are affecting both roads, which have increased greatly over the years. Some heavy vehicles should not be on them. These houses will not be suitable for first time buyers. Enough houses have been built in Newsome already. We do not want to live in a concrete jungle. Interests of the local residents should come before the someone who does not live in the area, who is out to make a fast buck, and is not interested in the local environment.
