Dear Sir/Madam,I am writing to you concerning planning application 2026/92200,to object in the strongest possible terms to this application.This location is not the place for a project of this kind,this village is a quiet residential area,which would be greatly affected by the noise and traffic pollution accompanying this proposed application,this is an extremely busy road used as a shortcut to Brighouse,Dewsbury etc,if there are any accidents or emergencies at the nearby chainbar,the resulting traffic uses Scholes Lane to bypass the chainbar,I urge you to think about this,not to mention the pollution the greatly increased activity caused by excess vehicles would bring to this area.The light and noise disturbance would affect nature around here,and drive down property values here.This is not the correct location for this kind of venture,17 hours a day!And 7 days a week!! urge you to think about this proposal with great caution,visit the village and witness for yourself the large volume of traffic each day.Regards, ,25 Scholes Lane,Scholes,Cleckheaton,BD19 6NS.I look forward to hearing your views on this matter.
