Erecting a house on this part of land should not be allowed. It's been grassland for well over 50+ years and now your putting a house on it. Your going to cause havoc up here with more traffic on an already tiny road. We was under the impression that a Bungalow was being built and not a HOUSE! All of the street is against this idea of people building on this land. Like everything in life money talks. There's no way this should of got planning permission granted.
