Hi,

I object to this application on the following grounds:

1. The applicant has failed to show that there is a case for demolishing the house
2. The proposed demolition is of a perfectly good house when there is a shortage of housing
3. The proposed farming is totally uneconomic
4. The destruction of this house will not be good for the environment
5. It should be noted that number 45 was destroyed without having gained the necessary permission and bad behaviour should not be rewarded

Kind Regards
