Subject: Ref 43 Fenay Bridge Road, Huddersfield HD8 0AY (demolition and proposed restoration).

Dear Planning Officer,

, I am writing to express my concern about the future development on 43 Fenay Bridge Road, and I strongly object to any proposed residential development of this site.

Fenay Bridge Road and in particular this area of the road is already a busy through road and is quite often congested and causes tail backs onto Wakefield Road.

Parking in this area of Fenay Bridge Road is already congested, with cars/vans of people that live on Fenay Bridge Road parking on Peace Hall Drive and on numerous occasions blocking the road for delivery vehicles including waste collection. It gets even more congested when the local Fish & Chip shop is open.

Should access be given, then the risk of potential collisions of vehicles and pedestrians will significantly increase.

Have the planning officers visited the site at key busy periods to assess the risks?

Can I please ask that the points and concerns raised above about the development of this site are seriously considered.

Kind regards
