

Planning Application Decision Notice

To: Elizabeth Parr Architect
35, Meadow Lane
Slaithwaite
Huddersfield
HD7 5EX

For: U AZIZ

Town and Country Planning Act 1990

Town and Country Planning (Development Management Procedure) (England) Order 2015

REFUSAL OF PERMISSION FOR DEVELOPMENT

Application Number: 2026/62/92377/W

In pursuance of its powers under the above-mentioned Act and Order the KIRKLEES COUNCIL (hereinafter called "The Council") as Local Planning Authority hereby refuses to permit:-

ERECTION OF FIRST FLOOR EXTENSION, SINGLE STOREY FRONT AND
SINGLE STOREY EXTENSION SIDE EXTENSIONS AND CAR PORT,
DEMOLITION OF ATTACHED DOUBLE GARAGE AND ERECTION OF
DETACHED DOUBLE GARAGE

At: 18, STANWELL AVENUE, BIRKBY, HUDDERSFIELD, HD2 2BY

In accordance with the plan(s) and applications submitted to the Council on 25-Aug-2026, except as amended or specified, details of which can be found in the table below. The reasons for the Council's decision to refuse permission for the development are:

1. The proposed extensions, incorporating the construction of a full first floor and the provision of additional accommodation within the roof space, would result as a disproportionate and excessively scaled addition. The cumulative scale, height and massing of the development would fundamentally alter the character of the host dwelling, resulting in a form of development that would be out of keeping with the established character and appearance of the surrounding area. As such, the proposal would cause unacceptable harm to visual amenity and character of the locality and would be contrary to Policy LP24 of the Kirklees Local Plan, KDP1 & KDP2 of the House Extensions and Alterations SPD and Chapter 14 of the National Planning Policy Framework.

2. The proposed detached garage, by virtue of its siting forward of the principal elevation, substantial scale and design, would occupy a prominent and visually intrusive position within the street scene. The provision of a largely blank elevation facing the public realm would create an inactive frontage and an unduly dominant feature that would fail to integrate satisfactorily with the character of the area. The development would therefore result in unacceptable harm to the visual amenity of the street scene and would be contrary to Policy LP24 of the Kirklees Local Plan, KDP1 & KDP2 of the House Extensions and Alterations SPD and Chapter 14 of the National Planning Policy Framework.

Plans and specifications schedule: -

Plan Type	Reference	Web ID	Date Received
Location plan	P01	1155428	25/08/2026
Existing floor plans	P02	1155429	25/08/2026
Existing elevations & sections	P03	1155430	25/08/2026

Proposed garage	P10	1155437	25/08/2026
Design & access statement	-	1155439	25/08/2026
Climate change statement	-	1155438	25/08/2026

Pursuant to article 35 (2) of the Town and Country Planning (Development Management Procedure) Order 2015 and guidance in the National Planning Policy Framework, the Local Planning Authority have, where possible, made a pre-application advice service available, complied with the Kirklees Development Management Charter 2024 and otherwise actively engaged with the applicant in dealing with the application.

The proposals raise significant concerns with regards to the scale and design of the development lacking subservience and being out of character with the host property and wider area. Amended plans have not been sought.

Development within a Coal Mining Area

The proposed development lies within a coal mining area which may contain unrecorded coal mining related hazards. If any coal mining feature is encountered during development, this should be reported immediately to the Mining Remediation Authority on 0345 762 6846 or if a hazard is encountered on site call the emergency line 0800 288 4242.

Further information is also available on the Mining Remediation Authority website at: [Mining Remediation Authority - GOV.UK](http://www.mra.gov.uk)

Digital Infrastructure: Fibre To The Property (FTTP)

Access to affordable and reliable broadband is necessary for Kirklees' residents, businesses, and visitors to take advantage of the growing digital economy and 'digital by default' services. Fibre optic cables direct to a property (FTTP) is the most reliable way of delivering high speed broadband connectivity and allows for gigabit internet speeds. Access to high quality digital infrastructure provides the foundations for, amongst other things:

- Economic prosperity – workforces that are digitally-literate enables business to thrive.
- Digital literacy – digital literacy and skills increase employability and people can exploit the internet for transactional, social, entertainment and learning purposes.
- New services – digital delivery can lower costs and provide innovative public and health services more conveniently.

It is therefore advised that digital infrastructure, including FTTP, and its benefits for the development be considered from the earliest feasible stage. Methods include working with Internet Service Providers to install digital infrastructure alongside other utilities or providing pre-infrastructure allowing for speedier installation at a later date.

Note: The provision of fibre infrastructure is often available from certain telecommunications providers free of charge for development over a certain scale, provided that sufficient notice is given. Notice periods are typically at least 12 months prior to first occupation. In some cases, providers may request a contribution from the developer.

Note: Where no telecommunications provider has been secured to provide fibre infrastructure by the time of highway construction, it is advised that additional dedicated telecommunications ducting is incorporated alongside other utilities to enable the efficient and cost effective provision of fibre infrastructure in the future.

Site Notice

- Where the application has been publicised by notice(s) in the vicinity of the site. Please would you now remove the notice(s) and responsibly dispose of to avoid harm to the appearance of the local area.

Appeals to the Secretary of State

- If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.
- As this is a decision for a householder application, if you want to appeal against your Local Planning Authority's decision then you must do so within 12 weeks of the date of this notice.
- If an enforcement notice is served or has been served relating to the same or substantially the same land and development as in your application and if you want to appeal against the local planning authority's decision on your application, then you must do so within:
 - i) 28 days from the date of this notice where the enforcement notice has been served,
 - ii) 28 days of the date of service of the enforcement notice or,
 - iii) 12 weeks of the date of this notice,which ever period expires earliest.
- Appeals must be made using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 5000) or online at [the Planning Inspectorates Website](#) . Further information on the Planning Appeal process can be found online at [the Planning Inspectorates website](#).
- You must use the correct Planning Appeal Form when making your appeal. If requesting forms from the Planning Inspectorate, please state the type of application that the appeal relates to so they can send you the appeal form you require.
- The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

Please note, only the applicant possesses the right of appeal.

An important part of improving our service is to review your feedback on the way that we have dealt with your planning application(s). Please take a couple of minutes to email your comments to dc.admin@kirklees.gov.uk so that we can work on continually improving our customer service. Thank you.

Dated: 20-Oct-2026
