

MELTHAM GREENWAY PHASE 3

Proposed Public Multi-User Path on Former Railway Corridor

Project: Creation of a Public Path on a Disused Railway Line

Applicant: Kirklees Council

Site: Former Meltham Railway Branch from Netherton to South Crossland

Planning Authority: Kirklees Council

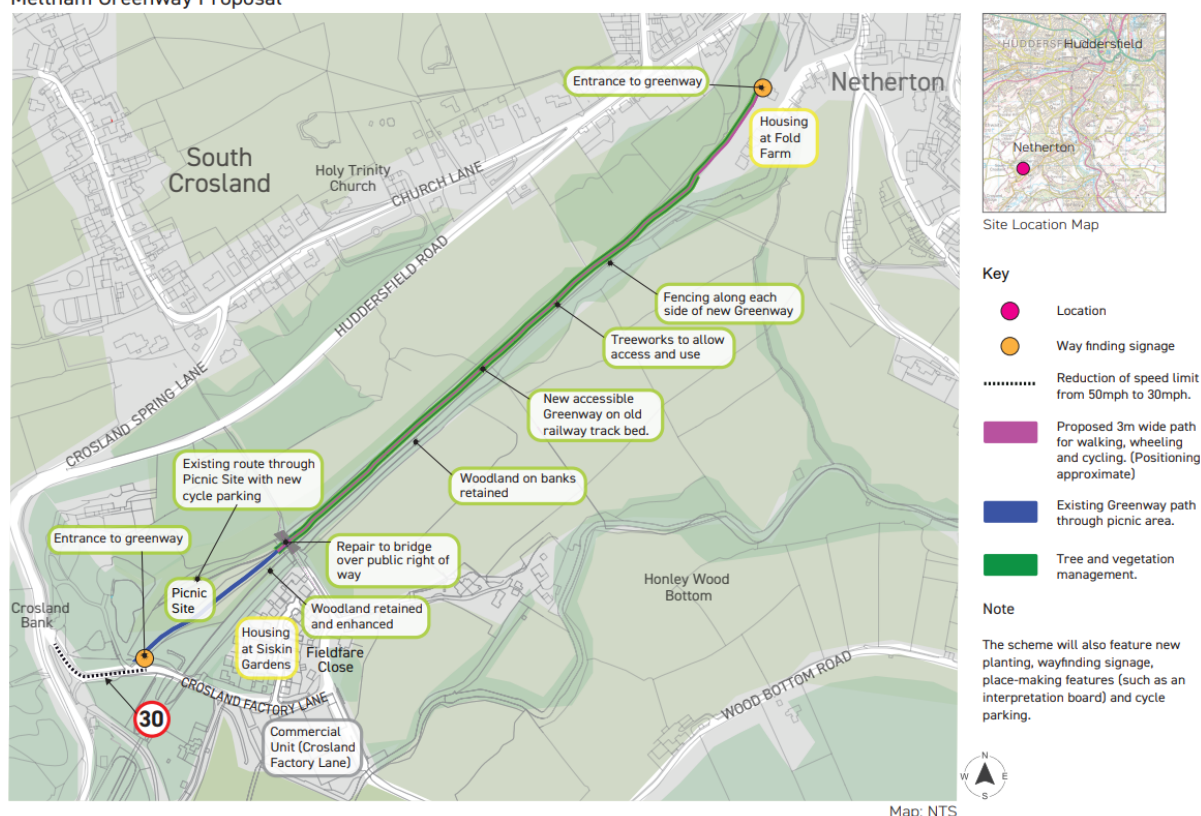

Date: 08/07/2026

STATEMENT OF COMMUNITY INVOLVEMENT

The Meltham Greenway is a long term community led project. The project has received significant S106 funding as a local priority

A public consultation was opened from October to November 2026. A web page on Kirklees council website including the following information.

Meltham Greenway Proposal

[Meltham Greenway improvement scheme | Kirklees Council](#)

The feedback has been fully analysed and is now being used to inform the business case and design development

External Evidence of Demand

A petition to Kirklees Council on 38Degrees.org.uk requesting that Kirklees Council begin construction of the greenway has received 3,180 signatures
