I support this application in line within the planning regulation. This application is within the planning regulations . I have known similar type of planning applications within or near by to Fir Parade by the Kirklees Planning officers. So taking in to account similar applications been approved on similar type of properties in the residential areas with taking that in to account this application should be approved when already a planning on this property has been approved. Some of the objectors to this application in my view failed to give a valid reason for their objections other than not to allow this be approved. Legally it should be approved and before your decision please take in to account the applications that Kirklees planners already approved. Thank you
