Date: 29-Oct-2026

The proposed rear enlargement cannot benefit from a general planning permission under Article 3(1) and Schedule 2, Class A, Part 1 of the Town and Country Planning (General Permitted Development)(England) Order 2015 (as amended) as the proposed enlargement would extend beyond a wall forming a side elevation of the original dwellinghouse and has more than half the width of the original dwellinghouse.

OFFICER RECOMMENDATION

DISCHARGE OF CONDITION A.4 , SCHEDULE 2, PART 1, CLASS A GENERAL PERMITTED DEVELOPMENT ORDER

1. Procedural Matters

Prior notifications for the erection of single storey rear extensions to dwellings are considered against the requirements as set out by the Town and Country Planning (General Permitted Development)(England) Order 2015 (as amended) Schedule 2, Part 1, Class A, condition A.4.

Proposals pursuant to Class A are permitted subject to limitations set out in paragraph A.1 and in the case of Class A.1 (g) subject to the discharge of condition A.4. This proposal relates to development pursuant to Class A where condition A.4 is engaged and for the purposes of this assessment only the limitations for Class A.1 (g) and requirements condition A.4 are considered. Other limitations within Class A are not considered other than where, in the opinion of the Local Planning Authority, the development does not comply with the limitations within Class A of the Order. Ultimately the responsibility to ensure the development is carried out in full accordance with any planning permission rests with the applicant or property owner/occupier.

Limitations for Class A.1(g) Development

Is any part of the proposal clearly outside the curtilage of the dwellinghouse?	No
If the house is detached and from the information submitted, does the extension extend more than 8 metres from the rear of the original dwellinghouse?	N/A
If the house is not detached and from the information submitted, does the extension extend more than 6 metres from the rear of the original dwellinghouse?	No

Consultation start date : 17th September 2026

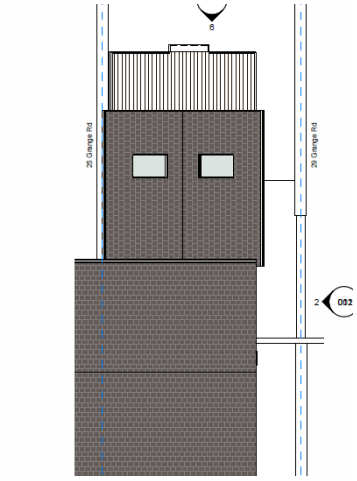

Consultation end date : 8th October 2026

1. **Objections**

1.1 Summary of representations: - None received

1. **Assessment**

The roof of the proposed single storey rear extension would adjoin the side elevation of the host property as shown below:

Consequently, the proposed extension would extend beyond a wall forming the side elevation of the original dwellinghouse and would therefore have a width more than half the width of the original dwellinghouse contrary to

paragraph (j) of the Town and Country Planning (General Permitted Development)(England) Order 2015 (as amended).

It is noted that the proposal includes a patio area, however this element would not exceed 0.3m in height.

2. Recommendation

The proposed rear enlargement cannot benefit from a general planning permission under Article 3(1) and Schedule 2, Class A, Part 1 of the Town and Country Planning (General Permitted Development)(England) Order 2015 (as amended) as the proposed enlargement would extend beyond a wall forming a side elevation of the original dwellinghouse and has more than half the width of the original dwellinghouse.
