Subject: RE: Attached letter from Kirklees Council regarding application number 2026/92665 at location 31, Chapel Hill, Linthwaite, Huddersfield, HD7 5NJ

Further to the DOC application submitted in connection with the above, I would like to advise that condition 11 (retaining wall) cannot be discharged pending the technical approval of the design of proposed realigned retaining wall at this site. Please inform the developer or his agent to contact my team and we will advise them accordingly.
