RE: Proposed Tree Works

I initially called your team number (01484 414919) to discuss tree works.
On the Kirklees TPO Map there is a TPO on the bridge on Thornhill Road (Dewsbury), this is near our proposed tree works along the flood relief channel.

Dewsbury	YES	Kirklees TPO map shows TPO in the vicinity of tree works planned for Dewsbury Flood Channel (Dry Cut). 

We intend to cut back encroaching trees on the embankment sides of the flood relief channel and to remove saplings growing in the flood relief channel.

Can Kirklees Trees Team agree to our planned works?
We can meet on site to discuss if required.

Kind Regards,
