<p>I have serious concerns about the impact of the development of a site of this size in the area. Blackmoorfoot Road cannot cope with the amount of traffic we are currently seeing, equally local schools are at breaking point already. There is also the development on the former St Luke's site. The area is semi rural and should remain that way. There is also the impact on the current residents in the area, the dirt and mud left on the road and the negative impact on property prices.</p>
