<p>I fully object to the planning and building off Blackmoorfoot Road, HD4 (Empire Knight Group Ltd).</p> <p>Our privacy would be invaded as no one looks on to us at present and also the peacefulness and our wellness (When sat in the garden) would be decimated (We would be overlooked) and have more noise and disturbance.</p> <p>The number of houses proposed seems a lot and would very much make Blackmoorfoot Road an even busier road as to what it is now. This would create more road accidents as cars /bikes tend to speed up this road.</p> <p>We would lose sunlight / daylight and not have as much and it would be blocked out. Moreover, the wildlife will be disturbed and wiped out, as currently we have rabbits, hedgehogs, garden birds, foxes, that live on the proposed site and who regularly enter our garden. There will be no Bee corridor either to help promote keeping the Bees, insects and Fauna and wildlife and plants.</p> <p>Next, the noise and the dust of knocking down and demolishing the old site and lorries delivering materials would cause total stress and disturbance. The Crosland Hill area would be changed from a small hamlet to a high urban area with a higher footfall.</p> <p>The houses that are proposed to be knocked down on the site, can they be re-used?</p> <p>I hope you read and take my valuable comments into account for the proposed development.</p>
