Application number: 2020/92546	
What is the application for?:	Outline application for the development of up to 770 residential dwellings (Use
Address of the site or building:	Land off, Blackmoorfoot Road and Felks Street, Crosland Moor, Huddersfield, HD4 7AD
Postcode:	

User comments

Type of comment: An objection
<p>Primary concern is additional traffic volume along Blackmoorfoot road, A62 at Longroyd bridge and both directions through Milnsbridge.</p> <p>Along with other big developments up and on the edges of the Colne valley and a reluctance to address car based movement and reliance, this new development will give problems to locals way beyond the boundaries of the proposed site. Many of the roads in the Colne valley and surrounding areas are not suited to increased traffic volumes, especially Milnsbridge and Longroyd bridge. Why is increased traffic volume never addressed in large plans such as this?</p> <p>Also, the site is partly on green fields, and these edges of built up areas need preserving or used in a more public spirited way.</p>
