<p>I am extremely concerned about the traffic on Blackmoorfoot Road and Sandy Lane amongst other roads surrounding this development. There will be extra traffic generated with the development on the St. Luke's Site. This will also affect traffic on Melrham Road into Lockwood which is already horrendous. This again will be made worse tby the development in Netherton. These roads are already incredibly busy and adding all these houses etc is just not acceptable. I am also concerned that there is asbestos, gun powered etc which makes this a contaminated site.</p>
