<p>I am concerned primarily about the wildlife. Bat's are a protected species and as a member of the bat conservation Trust and a volunteer bat rehabilitator I am very aware of the large presence of bats in Newsome, at the church, the Mill clock tower and the Mill ponds. The mill ponds are vital for providing food for the bat's and without this we will be affecting their natural habitat and affecting the bat population.</p> <p>Also there are concerns re flooding for nearby houses if this goes ahead.</p> <p>Finally this will be a huge loss to the village and its appearance. The people of Newsome enjoy walking by the ponds seeing the wildlife and calmness of the water, the newts and bat's (all protected) and the herons.</p> <p>I urge the council to put the environment before finance on this occasion.</p>
