| <p>We need to keep the ponds,I work at a local centre for people with various dis abilities and this is such a good place to help our clients and staff get closer to nature and maintain good mental health. This area is so important to us all.</p> <p>There are geese and Goslings,ducks,a heron,numerous other birds and wildlife that live there,is it not right to take away their natural habitat.</p> |                              |
