<p>Here we have two beautiful lakes in the heart of Newsome. The wild life, birds, fish don't have a say in this matter to replace their open living, vibrant, space with more unsuitable houses. I and several other workmen park up alongside the lakes for our lunch and often feed the Geese, Ducks, Sea Gulls and their beautiful offspring. This will be a crying shame if our heritage is once again taken away for property developers who I should imagine don't come from Huddersfield and dont care anything about Huddersfields green spaces. Only greed is on their agenda and I am led to believe the planning application was given the goahead in London! These two lakes have simply got to stay.</p> <p>I don't have any objection to build affordable housing on the old Mill site as long as the listed gate entrance stays.</p> <p>Thank you</p>
