<p>The mill pond is beautiful and attracts lots of wildlife. Preserving natural habitats for wild animals should be a priority.</p> <p>The building work would cause lots of noise &amp; disruption to houses &amp; businesses locally. It would also impact people's view from their homes and their privacy.</p> <p>Newsome road and the surrounding area is very busy already, adding more housing would only add to this and cause overcrowding.</p> <p>The mill pond really adds a unique character to Newsome. Removing it and covering with new builds would wipe that away.</p> <p>We should embrace historical landmarks, and celebrate them, not wipe them away.</p>
