<p>We have lived in Newsome for 18years and have come to realise how important the land Around the dam is. There is wildlife and birds eg herons which can be seen on a regular basis.</p> <p>Also additional cars belonging to the new houses will cause problems. The traffic is very heavy at the moment and streets are already filled with parked cars.</p> <p>Has any consideration been given to school admissions, doctor's and dentist workload?</p>
