<p>The mill ponds form a diverse wildlife habitat including pond life, birds, mammals, plants, wild food& trees. It is also important for the health & well-being of local people.</p> <p>To allow plans to build on this site would be a short sighted move and damaging to all of the above at a time when green and wild spaces are of utmost importance and are rapidly declining across the U.K.</p> <p>New plans for development should take into account the needs of local people and wildlife as it is often those who make these sorts of decisions who are least affected.</p>
