<p>.I wish to object</p> <p>I visit my step father often on Whitechapel road and visited the library and was shocked at the size/scale of this warehouse. This is a residential beautiful area not an industrial park, it takes up most of the site and shows it has no consideration for the local residents. It is so opposite to the local plans in size and landscape that was designed to take into account the residents.</p> <p>There is no way the local infrastructure can cope with this extra traffic and noise. i really hope common sense is shown and this is rejected.</p>
