

About the application

Application number: 2021/92603	
What is the application for?:	Erection of storage and distribution unit (Use Class B8) with ancillary offices,
Address of the site or building:	land west of M62, south of, Whitehall Road, Cleckheaton, BD19 6PL
Postcode:	

User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
<p>I wish to object strongly to this development</p> <p>The M62 motorway junctions 26 is most days at a stand-still, either due to accidents or just volume of traffic. When this happens, the HGV's will be forced on to the surrounding local roads to avoid missing time slots . When the M62 is blocked local roads are already very congested and this will make the situation far worse</p> <p>Users of Chainbar Roundabout will tell you , it is often blocked, any time of the day, any day of the week. Adding more traffic to this situation is only going to make things a lot worse. Already plans accepted for new warehouses on the old water works site which will also be using the M62 at Chainbar roundabout as well as new houses on Whitechapel</p> <p>Road therefore further adding to the congestion and making local roads busier and dangerous</p> <p>The air pollution around Chainbar is already above acceptable pollution levels and this will make it so much much worse</p>
