<p>I wish to object strongly on the grounds of the inevitable significant increase in traffic in the local area. Both to the chain at roundabout and a58 approach from the site. As well as the staff route through the village of scholes. Both of which suffer significant congestion already which is a problem for road users, a nuisance to local residents and a danger to pedestrians and cyclists as well as a significant contributor to noise and air pollution in the area.</p> <p>I also support Save Our Spen's representation on this planning application as I share its concerns.</p>
