

For the attention of Kate Mansell

Dear Kate

Reference Application number: 2021/62/92603/E

Proposed development on land to the west of the M62 and south of Whitehall Road, Cleckheaton, BD19 6PL

I write in connection with the above planning application. I wish to **object** strongly to this development in this location for the following reasons:-

The chainbar roundabout is already gridlocked most days, at peak times, with traffic queuing down the A58 in the morning and also in the evening.

Living just off the A58 at Westfield Road, it has been particularly bad and schools have not even gone back yet!!!!

This causes cars to look for alternative routes which will be in more populated areas and passing schools. I thought we were trying to reduce pollution.

I also support Save Our Spen's representation on this planning application as I share its concerns.

Yours sincerely,
