<p>I wish to make an objection for the planning of the Amazon Warehouse at Chain Bar Cleckheaton. The stretch of A58 from chain bar to Hippeholme is an absolute nightmare already when there has been an accident on the motorway. I use this short stretch on a regular basis and when chain bar is out of action, Wyke, Scholes, Cleckheaton, Brighouse and Lightcliffe all come to a stand still! I can not imagine what this will be like through Scholes with the added pressure of a huge warehouse!</p> <p>My husband and daughter also suffer from asthma and the pollution from the chemical works are already a concern to us and we are very worried out the effects this huge warehouse will also have on their health! Surely there is somewhere more remote this warehouse could be built than right on a main road surrounding by residential house, business, schools!</p> <p>The visual impact is something which we are having to come to terms with these days as we are losing more and more green area in West Yorkshire! Having recently had a break on North Yorkshire there is no comparison!! What a shame!</p>
