| <p>The exit from the M62 to access this piece of land is already a serious and dangerous problem with traffic very often queuing on the motorway on the westbound approach. Further volumes of traffic which this development will bring will only make the situation worse. Also once on the roundabout the A58 exit which all this extra traffic will use is a very busy road and any lorries or vans queuing to access the site will block this route and cause traffic to build up on the roundabout which is already at the capacity it can cope with.</p> |    |
