Reference Application Number: 2021/62/92603/E

Proposed development on land to the west of the M63 and south of Whitehall Road, Cleckheaton  
BD19 6PL.

I am writing regarding the above planning application.

I wish to STRONGLY OBJECT to this proposed development in this location for the following reasons:

- Increased traffic to our small village
- Not so nice for people coming to the cemetery
- The Amazon building will be a eye sore
- The lovely greenbelt
- Making more traffic try to get away.

I also wholeheartedly support Save Our Spens's representation on this planning application, as I share their concerns.

Yours sincerely
