<p>I absolutely object to this proposal. 1. At rush hour traffic is backed up all the way from the Chain Bar roundabout to the centre of Cleckheaton.</p> <p>2. Whitechapel Primary School is in very close proximity to the proposed development and I am concerned about the increase in pollution in an already polluted atmosphere.</p> <p>3 The surrounding area is a haven for nature and humans alike. The building proposed will block out light during the day and cause light pollution at night to a vast area of natural beauty.</p>
