<p>This is the wrong place to build this monstrosity. The A58 is constantly busy and the extra traffic lights suggested will only benefit Amazon while the other traffic will back up as far as Hipperholme and in the other direction will choke the chain bar roundabout. There will be much more pollution from hgvs and also queueing traffic. This traffic will ruin Scholes & Wyke villages especially homes down Whitechapel and on Westfield Lane causing noise 24 hours a day. This site floods onto A58 after heavy rain causing major problems so building on this site will make matters worse.</p>
