TO WHOM IT MAY CONCERN!

PROTEST AGAINST THE AMAZON WAREHOUSE

REASON 1/ WILL CAUSE MORE CONGESTION ON A58
AND ALL OTHER ACCESS ROADS WHICH ARE
ALREADY VERY BUSY

REASON 2/ WILL CAUSE PROBLEMS AT THE HIPPERHOLME
JUNCTION WHICH IS ALREADY VERY BUSY

REASON 3/ THERE ARE ALREADY HOUSING ESTATES
BEING PLANNED AND BUILT AROUND THESE AREAS,
MAKING IT VERY BUSY AND WILL MAKE THE
SITUATION WORSE WHEN THEY ARE COMPLETED

REASON 4/. POLLUTION - NOT ENVIRONMENTALLY
FRIENDLY. NOISY

In my opinion along with lots of others I speak to
it is time to reconsider all the development which is
concentrated in the areas around Hipperholme,
Lightlife / Wakefield Road (ST. GILES ROAD ESPECIALLY)
It's time the people who live in and around these
areas had a say in these matters as we have to
live with these decisions! Amazon will create a
huge amount of traffic and pollution concentrated
in our area, and other surrounding area.

Yours sincerely,
